NEWS RELEASE

Dear Valued Customer:

We would like to announce that Ristech Information Solutions Ltd. and HANNALA Inc. are joining forces.

As of October 1, 2011 Ristech will assuming the responsibility of supporting existing service agreements currently held by HANNALA. Ristech will also be offer service support on non-contract for Microfilm/fiche and document imaging systems.

Mel Zilkowsky of HANNALA will be part of the Ristech technical support team and will be on hand to support this transition. Ristech has a 15 year history in Alberta selling and supporting a wide range of Imaging and Scanning Equipment. Ristech technical support staff are fully trained on your equipment and able to respond in a timely manner.

Service Support calls as of October 1, 2011 can be made by contacting Ristech Toll Free at 1-888-571-7444. The same high level of service support that you have experienced in the past will continue to be met in the future.

If you have any questions please do not hesitate to contact Don Steacy or Mel Zilkowsky, we would look forward to hearing from you.

Sincerely,

Don Steacy
